Your Challenge is to Win!

Our Challenge

For the past twenty-one years, the 400+ members of the **National Association of Insurance & Financial Advisors—Tampa** have organized the NAIFA Tampa Golf Classic. Following the original mission “to give back to the community where we work and live,” the organization has raised over \$375,000 for local charities.

The **Epilepsy Services Foundation, Inc.** has benefited from the Golf Classic from its inception. The Foundation is a non-profit organization committed to creating a better future and environment for persons affected by epilepsy living in West Central Florida. While raising awareness and educating others about epilepsy, the Foundation raises funds and provides grants to other epilepsy charities, camp and college/technical scholarships and grants for educational seminars that address new medical initiatives and partnerships.
